   3.1 On receipt of notification of the award, the successful bidder shall be required to send the acceptance of the work order within 07 working days.

   3.2 Successful Bidder shall submit the Security Deposit of **7.5%** of the Contract value in the form of a Crossed Demand Draft/Pay Order/Banker's cheque/FDR drawn/Bank guarantee in favor of "The Registrar, IIITDM Kancheepuram," payable at Chennai within 07 (SEVEN) working days of the

receipt of Notification of Award (NOA) / Award of Work order from IIITDM Kancheepuram (the Defect Liability Period as specified (i.e, **36 months after completion of work + 2 months**).

3.3 The successful bidder shall be required to sign a detailed contract agreement & commence the work within 07 working days from the date of receipt of the work order.

3.4 In case of failure to commence the work by the Contractor within 07 days after signing of the contract or handover of the site, the Institute shall be at liberty to terminate the Award and forfeit the Security Deposit.

4. Preparation of bids - Two bid systems (simultaneous receipt of separate technical and financial bids):

4.1 Technical bid shall consist of only prequalification document along with supported documents as detailed below:

4.1.1 Complete prequalification papers, Name of the Agency and also, commercial terms, etc., offered **(Note: Price column in this cover should be kept blank)**.

4.1.2 Duly filled and digitally signed Bid submission & self-declaration Proforma (**As per Annexure – 1**), EMD transaction details (SBI Collect e-Receipt)/Cancelled cheques/bank details & GST Certificate.

4.1.3 Duly filled and digitally signed copy of Technical Qualification Proforma (**As per Annexure – II**) along with a copy of the similar work order as per the eligibility criteria referred to in clause no. 1

4.1.4 The Institute will contact the organization about the satisfactory execution of work if required and this shall be taken into account for the evaluation of technical bid.

4.2 Financial bid/Techno commercial bid indicating item-wise price for the items mentioned in the technical bid, special concession in rates if any applicable for Educational Institutions shall also be offered and indicated clearly.

4.3 Both the covers should be submitted through online Central Public Procurement Portal https://eprocure.gov.in/eprocure/app **before due date and time.**

5. Technical terms:

5.1 The selected contractor will have to carry out "Providing **and Fixing Aluminium Partition Works in Various Laboratories (L114, L012, L011, L009, L007, L312, L514, L417, L316A, L011C and L513) at IIITDM Kancheepuram**" which have been listed under the 'Techno-Commercial Bid' of this tender document. He shall be under obligation to carry out all of the works stipulated in the contract.

5.2 The material to be used by the Contractor should be conforming to reputed brands as indicated, if no brand is given ISI marked brands shall be supplied. Samples of all materials / fixtures as specified in 'Techno-Commercial Bid' shall be got approved before their use by the Contractor. Catalogues / Brochures are also to be brought by the Contractor along with samples wherever required.

5.3 The work shall be carried out as per the relevant CPWD general specifications for civil works.

5.4 IIITDM Kancheepuram has Power to issue instructions etc., IIITDM Kancheepuram may in its absolute discretion & from time to time issue further Drawings if any, &/or written instructions, detailed directions & explanations in regard to:

5.4.1 Minor addition, reduction, omission or substitution of any work included in the Contract.

5.4.2 Minor variation or modification of the design, quality, character of any work.

5.4.3 Minor variation in the dimensions of any part of the works.

5.4.4 Minor discrepancy in the Drawings if any, or between the Bill of Quantities and / or Specification.

5.4.5 The removal from the site of any material brought thereon by the Contractor & the substitution of any other material.

5.4.6 The dismissal from the works of any person employed there-upon by the Contractor to carry out the work under the provisions of this Contract and its replacement by another suitable person within a given time frame at no additional cost to IIITDM Kancheepuram.

5.4.7 The opening up of or inspection of any work covered up, all other instructions issued to him covering other aspects of the Contract.

5.4.8 During the execution, any wall/flooring/table cutting and finishing & making good be carried out without any additional cost.

5.5 The requirements given in the 'Techno-commercial bid' are only indicative and not exhaustive. The contractor shall be required to complete the project. The decision of IIITDM Kancheepuram authorities in this regard shall be final and binding on the Contractor.

5.6 Quality Assurance: The contractor shall ensure Quality of work and Engineer-in-charge or any other representative/official deputed by the IIITDM Kancheepuram shall have the right to inspect or to test the materials to establish their conformity to the ordered specifications. The Contractor shall provide all reasonable facilities and assistance to such representative without any charges to the IIITDM Kancheepuram in this regard. Further, IIITDM Kancheepuram may direct the Contractor to get any/all materials/samples tested from the specified organization(s) to conform to the tendered specifications at the Contractor's cost. In case any inspected or tested material fails to conform to the ordered specifications or workmanship is found to be unsatisfactory, IIITDM Kancheepuram may reject them, and Contractor shall either replace the rejected material or make alternative arrangements necessary to meet the stipulated specifications and rectify the defects pointed out in the workmanship, at no additional cost to IIITDM Kancheepuram.

5.7 Work shall be executed and completed as per the technical terms and conditions of this document. In case the Contractor fails to complete the assigned work within specified Period, IIITDM Kancheepuram may recover Liquidated Damage and/or terminate the Contract and/or forfeit the Security Deposit. IIITDM Kancheepuram on its part would be required to handover the site to the Contractor free from any encumbrance.

5.8 The Contractor shall, at his own expense, arrange for the safety provisions as appended to these conditions or as required by the Engineer-in-Charge, in respect of all labor directly or indirectly employed for the performance of the works and shall provide all facilities in connection therewith.

5.9 The Contractor shall be responsible for providing constant and adequate supervision of the work to ensure compliance with the provisions of laws relating to safety and for taking all practical steps necessary to prevent accidents.

5.10 Stores and Materials required for the works brought by the Contractor shall be stored by the Contractor only at places approved by the Engineer-in-Charge. Storage and safe custody of material shall be the responsibility of the contractor. The contractor shall ensure that no materials/ wastes/equipment are dumped at the site. Proper cleaning and debris removal should be done daily

5.11 No compensation shall be payable to the contractor for any damage caused by rains, lightning, wind, or storm during the execution of work. He shall make good all such damages at his own cost, and no claim on this account will be entertained.

6. Commercial terms:

6.1 **The work shall be executed and completed within 90 working days (Excluding Sundays and Public holidays) from the date of Commencement of the Work.** If the Contractor fails to complete the assigned work within the specified Work Completion Period, IIITDM Kancheepuram may recover Liquidated Damage and/or terminate the Contract and/or forfeit the Security Deposit. IIITDM Kancheepuram, on its part, would be required to hand over the site to the Contractor free from any encumbrance.

6.2 Item Rates quoted on the "Techno-Commercial Bid" by the bidder shall be valid and constant during the entire contract period and will not be subject to any variation on any account whatsoever.

6.3 The contractor needs to work at all heights and floors wherever applicable, and the cost should be included in the techno-commercial bid.

6.4 Measurements of all items having financial value shall be recorded in Measurement books to obtain a complete record of all works performed under the contract. Measurements shall be taken jointly by the IIITDM Kancheepuram official designated for the purpose and the Contractor.

6.5 Payment of bills shall be made against supply, acceptance, and after verification of the bill by the Institute after deduction of taxes and TDS as per applicable rules. The running account bill/Final bill shall be submitted by the contractor after the execution of work, and the completion certificate shall be furnished by the Institute after the completion of work in full. Payment to be made only for the work actually done.

6.6 The Contractor shall take at his own cost, necessary insurance cover for staff and other personnel to be employed or engaged by him in connection with the afore mentioned services personnel by services to be rendered.

6.7 Statuary deductions of taxes at source will be carried out from the payment due at the prevalent rates as prescribed by the government.

6.8 No accommodation shall be provided within the premises. The Contractor shall be solely responsible for arranging suitable accommodation for all staff and personnel employed or engaged by him outside the premises.

7. Fraud and Corruption:

7.1 IIITDM Kancheepuram requires that bidders, suppliers, contractors, and any other entities engaged in the execution of works observe the highest standards of ethics. In pursuit of this policy,

7.2 The terms set forth below are defined as follows:

7.3 **"Corrupt Practice"** means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of a public official in the execution of a work.

7.4 **"Fraudulent Practice"** means a misrepresentation or omission of facts to influence the execution of a work.

7.5 **"Collusive Practice"** means a scheme or arrangement between two or more parties designed to manipulate competition, restrict fair execution, or artificially influence contract terms.

7.6 **"Coercive Practice"** means harming or threatening to harm, directly or indirectly, persons or their property to improperly influence work execution.

7.7 IIITDM Kancheepuram will terminate or take appropriate legal action against a contractor if it determines that the contractor, directly or through an agent, has engaged in corrupt, fraudulent, collusive, or coercive practices during the execution of the work.

8. Other conditions:

8.1 The institute reserves the right to reject any or all the bids without assigning any reasons thereof. No tenderer shall have any cause of action or claim against IIITDM Kancheepuram for rejection of his bid.

8.2 The IIITDM, Kancheepuram, has a right to cancel the awarded work at any point in time in case the contractor's performance is not up to the mark by giving a termination letter.

8.3 The tender document is not transferable, and Conditional Tenders / Non-compliance with any of the conditions set in the tender document shall render the bid liable for rejection.

8.4 IIITDM Kancheepuram reserves the right to seek any clarification from the bidders or waive any minor deviation in the provisions governing the contract at its sole discretion.

9. Tender Envelope Should Contain:

9.1 Technical Bid:

9.1.1 Bid Submission & Self declaration Proforma (As per Annexure – I)

9.1.2 Qualification Proforma (As per Annexure – II)

9.1.3 Copy of EMD payment details

9.1.4 Cancelled cheque / Bank Details (To refund the EMD if required)

9.1.5 Copy of GST certificate.

9.1.6 Copy of similar works experience proof i.e., Photo copy of a valid work order / purchase order and completion certificate must be attached as per the aforementioned.

9.2 Financial Bid

9.2.1 Techno-commercial bid (As per the Annexure-III)

10 Further, refer & comply with the in detail **"TENDER GENERAL TERMS AND CONDITIONS"** available at IIITDM > FORMS > ENGINEERING SECTION > TENDER GENERAL TERMS AND CONDITIONS" enclosed in the mentioned web link. These conditions are part and parcel of the contract agreement. To view TENDER GENERAL TERMS AND CONDITIONS

ANNEXURE-III

TECHNO-COMMERCIAL BID

Name of the work:	Providing and Fixing Aluminium Partition Works in Various Laboratories (L114, L012, L011, L009, L007, L312, L514, L417, L316A, L011C and L513) at IIITDM Kancheepuram
Tender No:	IIITDMK/2026-27/ENGG/CIVIL/009; Dated: 20.11.2026
Name of the Bidder	

S.No	Description	Qty	Unit	Rate	Amount
1	Providing, fabricating and fixing anodised aluminium framed partitions, including fixed panels, single-leaf doors, double-leaf doors and sliding/openable door shutters, wherever required, using extruded aluminium sections conforming to IS 1285, with 100 × 45 × 2.5 mm sections for vertical and horizontal framing of fixed partitions. Vertical members shall be spaced at a maximum of 0.90 m centre-to-centre, and horizontal members shall be provided at bottom, 1.20 m, 2.10 m and top levels, including additional intermediate horizontal members wherever the panel height above 2.10 m exceeds 0.90 m. The vertical framing members shall be rigidly fixed at both floor and ceiling/beam soffit, as applicable to site conditions, using 50 × 50 × 3 mm thick L-angle cleats with suitable approved fasteners including providing and filling the gap between ceiling/wall and the aluminium frame with silicon sealant etc.. The work shall include providing and fixing 12 mm thick pre-laminated particle board conforming to IS 12823, Grade I, Type II, laminated on both sides, in designated solid portions, and 5 mm thick float glass weighing not less than 12.50 kg/sqm in designated glazed portions, generally between 1.20 m and 2.10 m levels, securely fixed with suitable EPDM/neoprene gaskets and aluminium snap beading.				
1.1	Door/shutter frames shall be fabricated using 100 × 45 × 3.0 mm aluminium sections, generally 2.10 m high and minimum 0.90 m wide per single-leaf doorway, with 12 mm thick pre-laminated particle board up to 1.20 m height and 5 mm thick float glass above up to 2.10 m height. The work shall include providing and fixing 125 mm aluminium handles, 250 × 10 mm aluminium tower bolts, mortice locks, hydraulic door closers, 150 mm brass floor door stoppers, 300 × 16 mm MS sliding door bolts, 125 × 75 × 4 mm aluminium butt hinges, sliding G-channels with 25 mm diameter rollers, wherever applicable, together with aluminium clips, cleat angles, CP brass/stainless steel screws, dash fasteners, weather-grade silicone sealant with backer rod and all necessary fittings, fixtures, hardware and accessories. All aluminium sections shall be anodised with a minimum anodic coating of Grade AC-15 conforming to IS 1868. The quoted rate shall include cutting, drilling, machining, fabrication, fixing, erection, alignment, finishing, wastage, scaffolding, conveyance, loading, unloading, labour, tools, equipment and all incidental works, complete in all respects as per approved drawings, actual site conditions and directions of the Engineer-in-Charge. Measurement shall be made on the basis of the overall finished elevation area in square metres, including doors and shutters forming part of the partition system. **Approved Makes: Aluminium – Jindal/Hindalco; Pre-laminated Particle Board – Century/Greenply; Glass –**
