About IIITDM Kancheepuram

Indian Institute of Information Technology, Design and Manufacturing Kancheepuram (IIITDM Kancheepuram) is a Centre of Excellence for technical education and research established in 2007 by the Ministry of Education, Government of India to pursue design and manufacturing oriented engineering education and research and to promote the competitive advantage of Indian products in global markets.

Topics to be covered:

- ICT tools for higher education
- Open Educational Resources (OER)
- Modern Pedagogical Tools
- Hands-on sessions on configuring ICT tools
- Moodle LMS Administration
- Course Management and Assessment in Moodle LMS
- Extending capabilities of Moodle LMS using Add-ons

Important Points:

- The programme will include both lectures and hands-on sessions, primarily aimed at gaining practical knowledge.
- Food and refreshments shall be provided to the participants for all the days.
- Accommodation shall be provided subject to availability.
- Only limited participants are allowed and hence seats will be filled on a first-come-first-serve basis.

Registration:

1. Register and login as a participant in mmc.ugc.ac.in
2. In the dashboard click on "Apply for Other programmes"
3. Select Apply for "Short Term Programme" and from the dropdown select the Programme Name and Center Name as "Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram (07/07/2025-12/07/2025)"
4. Choose the title from the dropdown menu and enter the remaining personal information including year of joining, total years of experience etc.
5. Upload the NOC on Institute/College/University letterhead. Click [here](#) to download the template.
6. Click on Submit to complete the registration process.

**Resource Persons:**

The course content will be delivered by experts from leading prestigious academic institutions.

Eligibility:

- Faculty members working in universities and colleges that are included under Section 2(f) of the UGC Act are eligible to attend STP.
- This programme shall be taken into consideration for fulfillment of the requirements as laid down in Career Advancement Scheme as per UGC Regulations.
