BOG-64(2024)-08	Revision in House Allotment rules of the Institute
	<p>It is submitted that the Institute had formulated the House Allotment Rules 2019 to allot the houses to the faculty members. The said rules were discussed and approved by the Board in its 42nd meeting. The faculty members were allotted the houses in the campus as per the said rules.</p> <p>Due to vacancies in the houses, the Board in its 43rd meeting had amended the rule 4.2(h) of the house allotment rules as under,</p> <ol style="list-style-type: none"> <i>A faculty who has exercised non-acceptance and subsequently ineligible for drawing HRA shall remain ineligible for HRA emoluments even after the debarment period.</i> <i>The debarment period shall be one year the first non-acceptance and it is two years for the second refusal and the debarment period shall increase by one year with every refusal.</i> <i>The Institute administration shall notify the vacancy list of houses to all faculty at appropriate intervals. All eligible faculty, which includes those who are residing, those who are newly joined and had not applied before and those who have exercised non-acceptance and completed debarment period can apply against notification. The request application for house allotment shall be considered only against such house vacancy advertisement and no request application shall be considered for processing at other time interval.</i> <i>If a faculty vacates the house on his own volition, HRA is not payable by the Institute.</i> <i>All newly joined faculty who could not be given quarter due to non-availability of houses are eligible for HRA until the first allotment of house by the administration</i> <p>At present, the faculty members who have not occupied the quarters / vacated the quarters are not granted HRA based on the above decision of the Board.</p> <p>Now, all the houses in the faculty housing are full and currently there is waiting list of newly joined faculty members and next faculty recruitment is being planned and there is a likelihood of increase in the waiting list.</p> <p>It is submitted that the Ministry of Finance, Government of India vide OM No. 2/5/2017-E.IIB dated 5th March 2019 has dispensed the condition of applying for Government accommodation and furnishing of NO ACCOMMODATION certificate for admissibility of HRA to government employees.</p> <p>In this regard, some of the faculty members have represented grant of HRA to them based on the above Government of India orders which had waived the condition of furnishing of no accommodation certificate for grant of HRA. These faculty members are forced to stay outside due to their personal obligations like working of spouse, children's education, aged parents and owning houses etc. and at present they are not getting the HRA.</p> <p>Hence, it is proposed that the amendment to House Allotment rule 4.2(h) may be annulled and the faculty members not willing to occupy / vacated the houses / vacating the houses can be granted HRA in line with the Government of India decision. The vacant houses will be filled by operating the waitlist and it is assured that there will be no vacant houses with the present waiting list and expected future faculty recruitment.</p> <p>The Institute presented the details to the Board. At present, all the quarters are occupied and there is a waitlist of faculty members to be allotted quarters which is likely to increase after the forthcoming faculty recruitment. The faculty members who had not occupied/ vacated the houses are not paid HRA even though all the quarters are occupied and there are no vacancy.</p> <p>The Board noted the details presented by the Institute. The Board noted the Government order on admissibility of HRA to employees dispensing with the condition of No accommodation certificate for grant of HRA.</p> <p>Considering the full occupancy of the quarters and growing number of waiting list and taking into account the Government order on grant of HRA in this regard, the Board annulled the amendment incorporated in clause 4.2(h) of the House Allotment Rules 2019 (approved by the Board in its 43rd meeting) and accorded approval for the grant of House Rent Allowance (HRA) to the faculty members who had vacated/ not occupying the quarters from prospective effect. The faculty members who are vacating the quarters in future shall be granted HRA with effect from date of surrender of their quarters.</p>
