22. The rate quoted should be net inclusive of all material, labor, transportation and installation of the terms at the designated place and removal of the same after the function is over.
23. Special concession in rates if any applicable for Educational Institution shall also be offered and indicated clearly.
24. Bidder should quote rates for individual items separately. For comparison purpose **total rates for all the items** will be considered as one package. It is compulsory to submit rates for all items separately.
25. The tenders will be opened by a Committee of the Officers of IIITDM Kancheepuram. The tenderer or their authorized representatives may attend at the time of opening of the tenders.
26. The Institute also reserves the right to increase or decrease the scope of work by any margin depending on the requirement. For any dispute, the Institute shall be the final authority and its decision shall be final and binding on both the parties. The Institute reserves all rights to accept or reject any or all tenders in part or full without assigning any reason thereof.
27. The institute also reserves the right to accept the TENDER in full or partially for some of the items quoted by deleting certain items without assigning any reason thereof.

28. Work shall be executed and completed as per the technical terms and conditions of this document as per the direction of Engineer in charge.
29. The Contractor shall at his own expense arrange for the safety provisions as appended to these conditions or as required by the Engineer-in-Charge, in respect of all labor directly or indirectly employed for performance of the works and shall provide all facilities in connection therewith.
30. The Contractor shall be responsible for providing constant and adequate supervision of the work to ensure compliance with the provisions of laws relating to safety and for taking all practical steps necessary to prevent accidents.
31. Required materials brought by the contractor shall be stored only at places designated by the Engineer-in-Charge. Storage and safe custody of material shall be the sole responsibility of the contractor. The contractor shall ensure that no materials/ wastes/ equipment's are dumped at site. Proper cleaning and debris removal should be done on daily basis.
32. No compensation shall be payable to the contractor for any damage caused by rains, lightening, wind, storm & anyother natural calamities during the execution of work. He shall make good all such damages at his own cost and no claim on this account will be entertained.
33. In case the Contractor fails to complete the assigned work within specified Work Completion Period, IIITDM Kancheepuram may recover Liquidated Damage and/or terminate the Contract and/or forfeit the Security Deposit. IIITDM Kancheepuram on its part would be required to handover the site to the Contractor free from any encumbrance.
34. The payment shall be made as first and final bill on completion of the work satisfactorily. Any less usage of number of items, the rate will be reduced pro-rata and vice versa.
35. Payment of bills shall be made against supply & execution of the work, acceptance and after verification of the bill by the Institute after deduction of taxes and TDS as per applicable rules. The final bill shall be submitted by the contractor after the execution of work. Payment to be made only for the work actually done.
36. The Contractor shall take at his/her own cost, necessary insurance cover in respect of staff and other personnel to be employed or engaged by him in connection with the afore mentioned services personnel by services to be rendered.
37. If the due date of submission of tender / Tender opening is declared a holiday for the Institute, the due date for submission of tender / Tender opening will be extended to same time on next working day.
